RETRACTABLE
Canopies

The S-Zone Group, established since 2007, comprise of two leading businesses, Shade Zone and Retractable Canopies, both proud representatives of Europe's leading shading manufacturers, with installation teams throughout the country.

AWNINGS

Awning Intro

The Weinor awnings range; all carefully designed to be easy to use. Each awning seems to effortlessly float while remaining a sturdy awning to merge elegance with practicality. This, in turn, creates perfect sun protection for restaurants, bars, cafes and homes.

GLASS ROOM

The elegant Weinor Glass Room offers smooth transitions to the outside. It consists of a Terrazza patio roof which can be closed with all-glass elements to form an uninsulated conservatory. The many flexible and fixed-glazed side elements allow for any number of possible combinations.

GLASS ROOM

Glass Room Accessories

Optional heating and LED lighting – where cold and dark becomes warm and light. Also, the optional drop-down screens offers protection from the dazzling sun.

LOUVERS

Louvered Canopies

The stylish louvered canopy range creates a pleasant outdoor space. Thanks to different options, the outdoor area can be used from early in the morning until late in the evening. In this way, an additional seating or living space is created.

RETRACTABLE CANOPIES

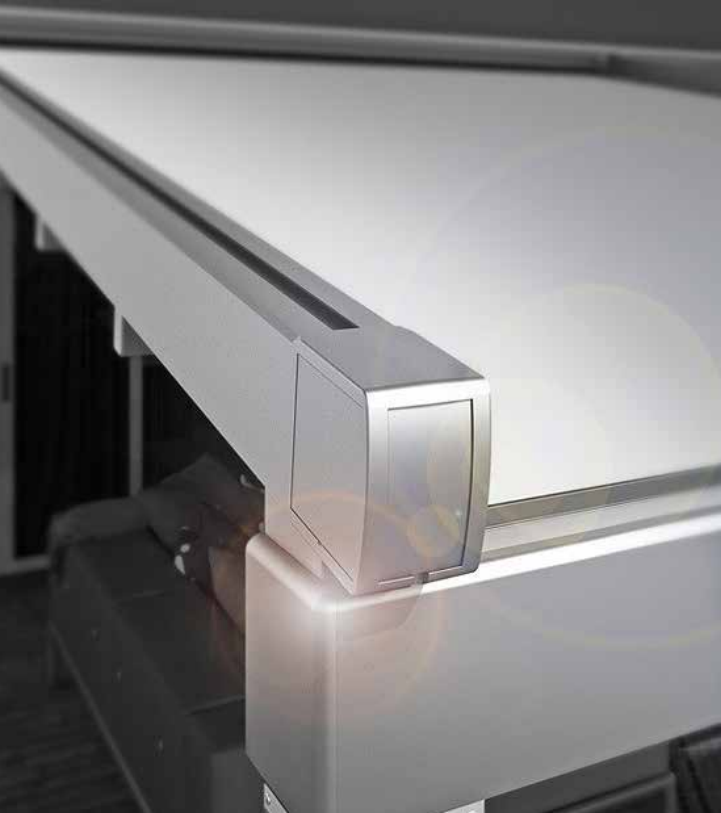

Retractable Canopies

The retractable canopy range is ideal for covering large areas. With a retractable canopy you can stay outdoors in the baking sun and heavy rain. Whatever the period of your area and style, you will certainly find a harmonious solution.
